JULY 2025
Introducing Dr. Calverly!

Meet **DR. JENNAH CALVERLY!**

Dr. Jennah Calverly is a native of Esko, Minnesota. Dr. Calverly's journey into dentistry began early, inspired by her childhood dentist and a deep appreciation for the blend of science and artistry the profession offers. After starting her career in Rochester, Minnesota, she relocated to West Fargo in 2022 and served the community in Hawley. Committed to making every patient feel comfortable and at ease, Dr. Calverly focuses on providing high-quality dental care in a supportive and welcoming environment. She looks forward to serving the Horace community and upholding Maple Family Dental's mission of delivering exceptional, patient-centered care.

Dr. Calverly enjoys spending time with her husband, Derek, their two cats, Newton and Sputnik, and her horse, Nimbus. She loves reading, playing Nintendo Switch, horseback riding, and staying active with walks and gym workouts. A self-proclaimed "huge Taylor Swift fan," Dr. Calverly also enjoys traveling and cherishing moments with friends and family.

Education:

Bachelor of Biochemistry | University of Minnesota
Doctor of Dental Surgery | University of Minnesota

Initial construction, 2016

*You may have noticed some **BIG** changes around here...*

Horace is growing, and so are we! We are so excited to be expanding into our new addition, allowing us to serve even more of our community members with our same quality of care with our 3 E's...Education, Experience, and Excellence. Dr. Jennah Calverly is already working alongside Dr. Bultema and seeing patients. We hope you enjoy the new space and our growing team as much as we do!

Would you please tell a friend about Maple?
